CLUB NEWS

There was a flurry of activity at our home ground with trials commencing last weekend. Thanks to those who helped out at the ground and to our opponents Holy Family Menai on providing a sporting contest for our players.

John Grealy, Trevor Warner & Ken Slattery
Club President, Secretary & Treasurer

Parents - get involved this weekend

The parents of all teams are required to help out on the BBQ and in the canteen before their teams play. If everyone cooperates with this routine for at least 30 minutes the work load will be equally shared. Please respond positively to announcements made at the ground calling for help. Thank you.

Grading

Teams are going through a grading process during the trial games. It is expected that decisions will be made this weekend regarding teams where there are more players trialling than positions available, or there is more than one team in the age group ie. grade and reserve teams.

Parents and players need to be aware that grading decisions will be made with the greatest consideration for the safety of individual players and for the overall benefit to the teams concerned. Regrettably we cannot accommodate every player in accordance with their desires. Players should strive to perform to their full potential this weekend and accept the grading decisions that will be made in good faith. Thank you.

Registrations

All players and team officials will be required to formally complete their registration next week. Times will be allocated to each team to finalise these registrations in the Club House on a designated evening (coinciding with training). For further details contact your team manager.
