## CLUB NEWS

### From the President

Just for a change we had no Saturday games! The under 6s and under 7s were so starved of recent footie action they called training for Saturday morning - you gotta love that keenness and commitment. The up side to other grounds being closed was that we got games transferred to home on Sunday.

Eggy's Entertaining U15s took full advantage of the home ground crowd to beat Berala for the first time since minis. With 7 rounds to go they are just outside the 5. Play to your ability boys and watch the results and the semis come your way.

Heta's A grade took their rightful spot at the top of the ladder with a hard fought win over Berala as well. This A grade comp is ripe for the picking - it's up to you guys to do the work.

### Support your sponsors

I will make a bold prediction that we will play this weekend!! That being the case now is the time to re-bond with your team mates and supporters. The best way of doing this is by getting to the Diggers on Saturday arvo/ night and hooking into a few schooners (or alco-pops for the ladies) after your game. Believe me, after such a break the rest of the season will go quickly so make the most of it. The only acceptable excuse for not being there is that you have gone to the A grade at Abbott Park for their 6.30pm clash with Cheso.

### Go the Saints

## Mid-year Team Reports

Continued from last week.....

### Under 6 Division 2

Record = 2 wins, 4 losses, 2 forfeits received, 5 washouts

Our boys are enjoying their season, competing well in all games. We have 10 of our 12 players in their first season of footy and after some shaky starts, it's been great to see all getting involved, enjoying the game and playing together.

When the boys were able to get some consistent games in May we saw a lot of improvement in their skills and confidence each week. 2 of our losses have been against the undefeated team in the comp. The highlight of the season so far was our 20-18 win over Revesby Heights. Tries have been scored by Klayton, Sam, Jarrod and Nathan and their teammates are getting closer to their first try.

Kim Kilpatrick (Coach) and Anthony Parsons (Trainer) have done an excellent job developing the boys skills, confidence and teamwork. The boys' families have provided great support every week. After kicking training and a bonding session last Saturday at Baskin Robbins, the boys are raring to go for their next game.

### Under 7 Division 2

Currently 2nd, 5 team semi, 6 rounds to go

All is well in the Under Seven's 2's Camp at the half way mark of the 2008 comp. Coming 2nd on the ladder to our nemesis Chester Hill we are in the comfortable position of having won five of our six games with our nearest rival Milperra Colts on three wins. Despite all of the weekend games and training sessions missed out on due to the wet weather our boys remain in top form with a real eagerness to train hard and put

100% effort in on game day. Goal kicking practice remains high on our priority list with many points lost so far this season in this area but rest assured the boys are stepping up and learning the skills fast due to the efforts of Dave and Macca. We look forward to the business end of the season and come finals time we will be ready to meet any challenges that lay ahead.

Go the Mighty Saints.

Craig Jordan  
Team Manager

### Under 9 Division 1

Currently 6th, 5 team semi, 8 rounds to go.

We started off this season with the challenge of getting a team together. With only seven of last years U/8 grade players returning and 2 from the reserves we faced an uphill battle just to field a side. Due to a lot of hard work from some of the parents we managed to get together a full squad. The next challenge was to get this group of boys to play together as a team. We started off well in the trials and since then have had 3 hard fought wins, but with four losses we are left in 6th position on a much cluttered table.

The new boys have all settled in to the club and those playing footy for the first time are all making excellent progress. We welcomed Joel back to the team and farewellled 2 others who have chosen to move on to other clubs. We now have a settled squad who are training hard and looking forward to getting back on to the paddock and reaching some of the potential they have shown. We all look forward to seeing how far they can go in the remainder of the season.

Dave, Darren & Paul.
