CLUB NEWS

Welcome to season 2009 especially the new players and parents. We currently have just over 250 boys (17 teams) on our books covering most ages all the way to opens (A grade). This year for the first time in the Club's 45 year history, we have a team competing in the Cronulla competition. This came about because Canterbury couldn't field enough sides for the under 23s comp. As we had a team 'set and ready to go' we nominated them for Cronulla to play in their A Reserves - though at present they are playing A grade with a promise of a re-grade!!

Many thanks to the number of new volunteers to the Club who have come forward to coach, manage and train - we can't run the Club without you. All Mums and Dads - dont be scared to help out when you can. No doubt your manager will be letting you know how you can help (e.g canteen and BBQ). Jump in, many hands...!

Socially we have a big year planned with dates set for the golf day, karaoke and ball. We will also be having a number of 'after training' nights throughout the season. Unfortunately due to the cancellation of the first

round, we can't get back into the Diggers Club for our traditional official 'Season opener' until 2 May after round 2. On a brighter note, the Club now has a 52 function licence to operate a bar, thanks to Joe Calamia. However, there are strict guidelines that go with this licence and we will only be selling alcohol in accordance with that licence for nominated functions - of course we will give you plenty of notice when we're open.

Just a reminder to all players, parents and supporters about the Junior League's Code of Conduct. Please observe the Code and stay positive when supporting your team - abusing the ref or other players gets you nowhere and is a breach of the Code. People found guilty of offences under the Code are personally liable for any fines imposed.

Hopefully it will stop raining and we can get some football in this weekend

Go The Saints.

John Grealy, Club President
