President's Report

The CBDJRL broke new ground this weekend by re-scheduling games onto the parks that were open on Saturday. This meant the 13s and 14s got a game of footy as well as the Sunday boys. Unfortunately, this didn't bring any joy to the 14s who were up against the undefeated leaders in Sports. The 13s however, had their first win since moving to grade by beating their bogey side Berala. Well done boys - you can match these sides.

Sunday saw the 'chocolate wheel' of destinations land on River Road again which brought the 19s and A grade back home. The 19s went down to St Johns and incurred a couple of season finishing injuries to further deplete their already 'missing in action' stocks. The A grade went down to a very excited Greenacre - if there is anything worse than Greenacre's victory song at our ground, I haven't heard it. Coach Mayoh says he who laughs last, laughs loudest! Point taken. Over in the shire, the A Reserves bought some joy with a scrappy win over a scrappy Sutho. They're still in the hunt so every win's a bonus.

That's my team / That's my Club!

Guys. I know the season has been crappy with all the wash outs BUT on Saturday we have 8 games at home. That's a whole bunch of our young sides playing after each other. Let's not only cheer them onto the field, let's stay around and support them during their matches. It would be fantastic if by the last game we had a huge crowd to get the 12s over the line in their quest to make the semis!! You haven't had to spend much time at the ground this year due to the wet so let's make up for it by hanging around on Saturday and supporting our mates. Remember - the guys that are a year older than you will be playing 19s, 21s and A grade with you in a couple of years!!!! Get to know them on Saturday. The same goes for Sunday - we have 3 games at home and the boys can use your support. No 'ironing school uniforms' so there's no excuse - get to the footy!!!!!!

U13- Div 1 Won: 36-6 v Berala Bears

It was good to see the boys bounce back after their loss last week and turn around the tackling effort from that game. With poor ball control from both teams at the start of the game, it was the defence that kept us in the game with good talk and the ability to get numbers in the tackles and slow down the Berala play the balls. It wasn't long once the boys controlled the ball and we were able to run in some tries out wide to take a 20 nil lead at half time. After letting a similar lead slip the first time we played, we new the game was far from over and with the big Bears outfit getting a mountain of possession at the start of the half the boys really dug deep and Berala were only able to get a barge over try from dummy half after repeat sets before the boys shut the game down with three more tries with the backs proving to hard to handle. It was a great team effort, in the halves Jaydn had a huge game with 4 tries and some big tackles with Reece leading the team around, while Mas, Andrew and Lucas were great up front, Daniel. J and Todd were good on the wings, Alex and Hayden always dangerous with the ball and Mahde and Jake not stop in the middle. Keep it up guys!

U14- Div 1 Lost 66-6 v Sports

Not much to say here. With only 14 guys bothering to turn up, it was always gonna be tough against the leaders. We started well with Matt T absolutely belting the opposition forwards and we should have led 6 nil but didn't get across the line. We then let them score and the heads went down. Come on guys, you owe it to Keith and yourselves to put in for the whole 60 minutes and the rest of the year.
